

Brock Soccer Club

June 12, 2020

First, we would like to thank the many families that have been positive and patient during this ever changing situation that we have all found ourselves navigating since March of this year. Brock Soccer Club has been following the direction and advice of the Durham Region Soccer Association as well as Ontario Soccer. At this time, we have made the extremely difficult decision to cancel our 2020 Outdoor Soccer Season. We apologize for any inconvenience this may cause, but more importantly we apologize to the many children and families that were looking forward to playing soccer this summer.

Any families that registered will receive full refunds. Those families that registered online will receive refunds electronically through the program they used to register (Sport Engine). Families that registered in person will receive refunds via a cheque mailed to the address provided on the registration form. We will issue these refunds over the next week. If you have not received your refund by July 12th, please contact us.

Again, our apologies and thank you for your support.
